

SPONSORED SERVICE TECHNICIAN

How Does It Work?

FIRST, WHAT IS THE JRE TECH SPONSORSHIP PROGRAM?

Our program is a two year equipment technician program tailored to amplify technical and professional expertise and competency of the incoming dealership technician. Each subject is thoroughly coached in the classroom, as well as gaining in-dealership experience!

SIGN UP FOR THE JRE PROGRAM

James River Equipment is committed to assisting you every step of the way! We will provide you with training-related part-time employment and serve as mentors during the work experience periods. James River will also supply you with eleven uniforms!

TUITION PAID WHEN YOU FINISH 2 YEARS AS AN EMPLOYEE AT JRE!

When you graduate with a minimum of a 2.5 GPA and complete two years of service at any of our locations in the beautiful states of Virginia, West Virginia, North or South Carolina, we will reimburse your tuition!
